Association of Transport Universities of Asian–pacific Countries**

Zhengzhou Declaration

欧亚交通高校国际联合会（以下简称“联合会”）是由欧亚
各国举办交通学科专业

在白原的开幕式

China with the theme of "open innovation, cooperation and universal benefit".

The XI International Symposium of the International Association of Transport

resources in transportation colleges and universities: 

——We will strengthen scientific and technological collaboration and innovation among transportation universities in Asian-pacific region, pay close attention to major frontier issues in related scientific and technological fields, and provide intellectual support for the development of transportation in Asian-pacific region.

——我们共同致力于壮大联合会的队伍，欢迎志同道合的欧亚各国相关高校加入联合会，同意遵守《欧亚交通高校国际联合会章程》并履行相应程序的高校可被接纳为联合会的成员。

——We are committed to build a larger Association. All the universities in Asian-pacific countries in this field are warmly welcomed to join the Association. Those agreeing to abide by the Constitution of Association of Transport Universities of Asian-pacific Countries and implementing the corresponding procedures can be accepted as members of the Association.

education, to integrate for the benefit of the people. We gather to solemnly

declare: with a new starting point, a new platform, and new actions, we will

work hand in hand to promote the development of the Asian-Pacific
